

Applications are due to the SFCS Development Office no later than January 23, 2012. Please also submit a FAST financial aid application and return to the SFCS Finance Office. (Find the FAST application at http://sfcs.net/admissions/Pages/grant_program.aspx)

Thank you for your interest in the Evelyn Huey Scholarship. Below are several questions that we would like you to answer so that we can get an honest look at who you are. There are no wrong answers, please feel free to be as open with us as you can. We look forward to you becoming a part of our growing Alumni family.

Please type the information and answers to the questions below on a separate piece of paper.

Name:
Address:
Parents' Names:
Email:
Home Phone:
Cell Phone:
Years attended SFCS:
Current GPA:

- 1) Describe your relationship with God and how that relationship has been strengthened during your time at SFCS. If no current relationship exists or if you are struggling with this relationship, describe what you are searching for to strengthen it.
- 2) Please list the extracurricular activities and/or any leadership activities you are involved in both on and off campus. Why do you participate in these activities and how have they helped you grow? If you are not currently involved in any way, please describe why, and any possible activities that you would be interested in joining if given the opportunity.
- 3) Being former students and current Alumni of SFCS, we understand you are often asked, "What are your plans for life after you graduate from SFCS?" While we know this answer is constantly changing, we would love to hear about your current ideas, plans and/or areas of interest for the future. Please feel free to let us know if you are still uncertain about your plans. Our goal is to not only help you while you are a student, but to be there as a support group after graduation. Answering this question will allow us to know where we can help.
- 4) Why is becoming an alumnus of SFCS important to you?

The Evelyn Huey Scholarship Committee (appointed by the Santa Fe Christian Schools Alumni Association) will review your application. All information submitted with this application will remain confidential. **Please also fill out and return the FAST financial aid application available at www.sfcs.net.** If you already submitted a FAST application as part of the SFC tuition grant program, you do not need to fill it out again.

Applications will be evaluated on financial need, campus involvement, and leadership. The Awards Panel will determine scholarships based on the aforementioned criteria and funds available to give. We encourage students to submit letters of recommendation from SFCS faculty and staff to accompany the application.
